Featured 2018 Annual Meeting Speaker Gary Kent, L.S.

The Maine Society of Land Surveyors is very pleased to announce that Gary Kent will be its featured speaker on both Friday and Saturday at our Annual Meeting on January 26 and 27 in Rockland, Maine at the Samoset Resort.

Gary Kent is in his 34th year with The Schneider Corporation, a surveying, GIS and consulting engineering firm based in Indianapolis, and with offices in North Carolina, Florida, Texas and Iowa.

Mr. Kent has been chair of both the NSPS committee and the ALTA committee on the ALTA/ACSM (now NSPS) Standards since 1995. Gary is a past-president of both ACSM and ISPLS, and from 1999-2006 taught boundary law, legal descriptions, property surveying and land survey systems for Purdue University in Indianapolis. He is in his thirteenth year on the Indiana State Board of Registration for Professional Surveyors and is frequently called as an expert witness in cases involving boundaries, easements and land surveying practice.

Mr. Kent regularly presents programs all across the country on surveying topics, and he writes columns for The American Surveyor magazine and contributes to NSPS News and Views.

Mr. Kent will be speaking on both Friday and Saturday on the topic ***“The Judicial Effect - Survey, Title and How Recent Court Cases Could Influence the Way You Practice.”*** Gary is a highly engaging presenter who last joined us in 2013 to discuss the 2011 Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys. Back by Popular Demand - Spouse/Guest Program!

MSLS is pleased to offer two events for spouses or your guest to enjoy while you attend sessions on Friday afternoon and Saturday morning. We are still arranging details. Last year an art museum tour and a chef cooking demo were offered and similar possibilities are being arranged. Both activities will be approximately a couple hours in duration and are offered at no charge to your accompanying spouse or guest. Please indicate on the registration form if your spouse or guest will join us in one or both activities so we can plan accordingly.

While these events are complimentary, please do note that there is a charge for optional lunches or the banquet at the conference.
