The Parting Shot...

NO MAN'S LAND

These pillars marking the border between the US and Canada create a small 18-inch gap of "no man's land" in Pittsburg, New Hampshire. *New Hampshire Magazine, February 2018*

"The Parting Shot" appears in place of where mailing information is located on postal mailed copies and is a little extra something for email recipients. Email your interesting surveying or Maine "Parting Shot" to editor@msls.org!
