

Land Survey Instrument Operator

Doucet Survey is a progressive land survey company and has an immediate opening for a highly-motivated Instrument Operator to join our growing team.

Qualified applicant should have two-year survey degree or a minimum of one-year of land surveying experience. Experience with Trimble Total Stations and Trimble Access Software is a plus.

Must be able to perform various land survey tasks under the direction of a supervisor, be detail-oriented, and possess excellent communication skills. A valid driver's license, good driving record, ability to lift over 75 pounds and work in a variety of weather conditions is also required. Must also be able to pass a Department of Defense security screening.

The successful candidate will work on a wide variety of projects throughout New England and some overnight travel may be required.

Doucet Survey has offices in Newmarket, Bedford, & Keene, NH and Kennebunk, ME and offers a competitive salary and benefits package. Visit our website at www.doucetsurvey.com for more information. Please send resume and cover letter to email@doucetsurvey.com.
