Professional Land
Surveyor (PLS) /
Project Surveyor

SEBAGO
TECHNICS

www.sebagotechnics.com/careers

Want to become an Owner with one of *Maine's Best Places to Work*? Would you like to work with the largest survey/geomatics team in Maine with a reputation for quality work and use of innovative survey technologies? Sebago Technics, a **100% employee-owned**, multi-disciplinary engineering consulting firm in southern Maine, is seeking candidates for **Professional Land Surveyor (PLS) / Project Surveyor**. If you have the qualifications, enthusiasm and desire to be part of our fast-growing, industry-leading company, this is your opportunity!

We have several openings in our Sanford and South Portland offices.

As an employee-owner at Sebago Technics you will receive a competitive salary, a welcome bonus, excellent benefits, work/life balance, and so much more. If this sounds good, follow this link for more information.
