

Our 50th Anniversary will offer a great deal of social and networking opportunities and a minimum of 10 available CEUs (5 per day) and technician level education will also be featured. We are still finalizing the program but rest assured MSLS always strives to put on a great show! Register now to reserve your participation in our first live gathering in 20 months to celebrate 50 years.

Program as of **September 2**, subject to change, check back for updates.
