

Maine Society of Land Surveyors

Dear Conferees;

MSLS is pleased to announce that registration is now open for our 50th Anniversary Conference on October 11 and 12 with a special invitation to join us in welcoming activities on Sunday, October 10 at the Sunday River Grand Summit Hotel in Newry, Maine. We are also pleased to be hosting in conjunction with our conference friends from the North East Surveying Societies (NESS).

It will be 20 long months since we last gathered in a live setting and we are looking forward to a safe event. Please be sure to read our information on COVID-19 guidelines at Sunday River.

Our schedule is still being finalized but as you know, MSLS always strives to put on a great show with lots of networking and social opportunities! **We strongly encourage you to please register now and prior to September 10 so we can plan accordingly.** Our logistical lead times are longer than usual.

On Sunday, there will be a play on your own option for golf at Sunday River's nationally recognized course. You can also join us on Sunday evening for an optional welcome party featuring a barbeque and foot stamping bluegrass music from the *Back Woods Road Band*.

We are also adding programs tailored to technicians and surveying students are also welcome to attend. Hopefully a number of our founders and past presidents will join us. There will be a great equipment show on all the latest by our exhibitors.

Sunday River has reserved a block of well-appointed rooms at the Grand Summit Hotel for us at just \$125 per night (pre-tax and fees). This rate is available through September 10 and you can book online or call (800) 543-2754. Our group code is: 8669QM. After that date, rates may be higher.

We have changed to handling all registrations online this year but you will still have the options to pay by check via mail or by credit card online. Our website, www.mslls.org has links to registration forms, payment, hotel reservations, the latest schedule updates, and COVID-19 guidelines.

All registrants will receive a very nice limited edition embroidered 50th Anniversary fleece vest. If you register before September 10, we will have a vest for you to wear at the conference. After that date, vests will most likely be mailed.

It's been a long 20 months. We are working hard on running a safe, informative, and enjoyable event. Email me at director@mslls.org or call me at 207-882-5200 if you have questions or need assistance.

Cordially Yours;
Bruce Bourgoine
Executive Director
