Sue Baker, the State Coordinator for the National Flood Insurance Program. Sue has over two decades of experience working in the Program and became the State Coordinator in 2008. She belongs to the Association of State Floodplain Managers and has been a nationally Certified Floodplain Manager (CFM) since 2000.

Joseph McNichols, Assistant Professor, Surveying Engineering Technology at the University of Maine, Orono, was licensed in 1996 as a Professional Land Surveyor in Massachusetts. He has been employed in the surveying profession continuously since 1985, initially working as an instrument operator progressing to licensed professional. He was formerly adjunct faculty in the Division of Professional and Continuing Education at Wentworth Institute of Technology where he taught Survey Measurement, Construction Surveying, Legal Aspects of Surveying, and Massachusetts Regulations Affecting the Surveying Profession.

Joseph is a registered member of the Massachusetts Association of Land Surveyors and Civil Engineers (MALSCE) and the National Society of Professional Surveyors. In 2005, MALSCE awarded him a Presidential Citation for his work in surveying education and in 2007 he was named Surveyor of the Year.

Following the morning, we have 20 Spring Meadows Golf Club slots for 5 teams in a special Golf Tourney to benefit our Benevolent and Betterment Fund. Register as an individual at \$85 or foursome team at \$340. Details and separately register by contacting Jimmy Courbron at: jim@terradynconsultants.com. A box lunch will be available.

Please note we are now offering a steeply discounted Technician rate so you can bring or send non-licensed staff to gain exposure to these important topics or simply to help develop more interest in the Surveying profession.

Register today at msls.org or send your check by September 30, 2023 to: **MSLS, PO Box 420, Readfield, ME 04355**

- I am registering as
- Member - \$90
 - Non-Member - \$130
 - Technician/Student -\$50
 - FYI I'm golfing & will register separately for the Tourney with jim@terradynconsultants.com.
